## Distribution

We distribute throughout Gauteng using in-house transport.

We also service customers in Kwa-Zulu Natal; Eastern Cape; Free State; Limpopo; Mpumalanga; North West; Northern Cape and Western Cape.

## ABOUT US

Founded in 2024 by Lebogang Tsame.

*Tsame Steel* is a **51% black female** owned **Level 2 B-BBEE** Steel Stockist & Distributor to the South African market.

We are a young and dynamic company, being guided by a management team with over 75 year's worth of combined steel industry experience.

We pride ourselves on offering a great service; quality products and competitive prices.

## SERVICES

### 24-hour Delivery & Same day Collection

We pride ourselves on offering our customers the best service we can. Next day deliveries and same day collections are front of mind for all orders.

### Material Quality

We source Prime material from Local & International Tier 1 Steel Mills, as well as adhere to industry specifications; tolerances and conduct additional pre-delivery quality checks.

### Steel Processing

We offer Precision Coil Slitting, De & Re-Coil, Sheet & Plate Cut-to-Length & Blanking

### Just-In-Time (JIT) Service

We stock an extensive product range of standard and customer specific sizes, which enables us to offer our customers a JIT service as well as minimising their stock & storage costs.

## LOGISTICS

### Warehouse

We are based in Johannesburg, South Africa with facilities that are equipped with Overhead Cranes; Forklifts; Generators; Solar & Invertors.

### Fleet

Our fleet comprises of heavy duty vehicles with load capacities of between 4 – 32 tons, including a crane truck.
